COMPANY OVERVIEW

Pro Event Solutions is a leading event management company with a passion for innovation and a commitment to excellence specialising in creating memorable and impactful experiences for a wide range of clients both nationally and internationally.

OUR MISSION

Founded in 2007 with a mission to transform ordinary events into extraordinary experiences. Our team of dedicated professionals brings together a wealth of worldwide expertise in event planning, design and execution ensuring that every event we undertake is a resounding success.

CORE VALUES

INNOVATION

We constantly seek new ideas and technologies to push the boundaries of event design and execution.

CLIENT-CENTRIC APPROACH

Your satisfaction is our priority. We listen, understand your objectives and deliver results that exceed your expectations.

ATTENTION TO DETAIL

We believe that success lies in the details. Every element of your event is meticulously planned and executed.

SUSTAINABILITY

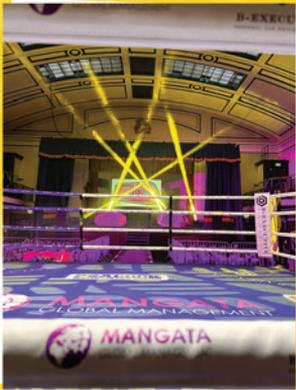

We are committed to environmentally responsible practices in event planning and production.

CORE BUSINESS

At Pro Event Solutions, we bring dreams to life through exceptional event experiences. Let us be your partner in creating unforgettable moments that leave a lasting impression.

MEETINGS & CONFERENCES

Planning a meeting or conference requires meticulous organisation and precision. Our packages offer comprehensive solutions to ensure your event runs smoothly. From audio visual setup and stage design to delegate management and logistics, we provide a seamless experience for both speakers and attendees.

CORPORATE

We understand the importance of show-casing brands and creating impactful experiences for clients and employees. Our corporate event packages are designed to elevate brand image and deliver seamless events that leave a lasting impression. From team-building activities to any other memorable milestone event, our team will handle every aspect, ensuring a flawless and professional event.

BESPOKE

Whether you are hosting an intimate gathering or a grand celebration our team will create a personalised package that suits your needs and reflects your unique style. We handle all aspects including venue finding, theme development, entertainment and catering ensuring that your event is a memorable occasion for all.

Pro Event Solutions has had the pleasure of working with some prestigious clients and artists since 2007.

EVENT HIGHLIGHTS

In 2011 PES supported Ed Sheeran at Porchester Hall as he started his worldwide career. Our engineers researched his loop pedal and effect system he is now well known for and ensured we were setup for him to go.

In 2015 PES created an arena sized winter wonderland event at the Copper Box Arena for a corporate client who we still work with on a day-to-day basis.

In 2017 PES delivered a Notion Magazine event with Clean Bandit, an English electronic music group with chart topping success.

In 2017 PES supported the launch of Rio Ferdinand's "Defender to Contender" a successful televised brand awareness campaign.

In 2018 PES delivered Lucozade's UK launch of "Fit Water" during which a world record was broken in London.

In 2022 PES became the preferred supplier and ongoing service provider for four UK Olympic Legacy Venues including the Copper Box Arena. The team continues to support world class touring events such as the Call of Duty Warzone Launch, the Apex League of Legends Series, and the Rocket League Championships - three huge, international e-sporting events.

In 2024 PES became proud sponsors of the GLL Sports Foundation which supports athletes to reach their full potential.

EVENT HIGHLIGHTS

These, amongst hundreds of exhibitions and live events have earned us a place as a leading London event production company capable of producing events and exhibitions on time and on budget.

MEET THE TEAM

CHRIS MARTIN

DIRECTOR

Chris started his career in the exhibition industry working on industry renowned events like MIPCOM in Cannes, France & DRUPA in Dusseldorf, Germany. Later moving into corporate events Chris found a love for space transformation and immersive events. Chris's drive for excellent customer service puts PES in the strongest position when competing for national and international events.

TIM KINGSMILL

SENIOR PRODUCTION MANAGER

Tim has a deep passion for sound and sound design and is well known for his part in producing visually stunning projection mapping, laser shows and huge water fountain displays around the world. Tim heads up larger productions for PES and our arena partners around London.

GEMMA MARTIN

BUSINESS DEVELOPMENT MANAGER

Gemma has brought a wealth of experience and has taken PES to new heights. Gemma's drive resonates perfectly with Tim's large-scale production experience and Chris's meticulous passion for highly produced events to make PES a company that clients continue to come back to year after year.
